- 1) The loan is at least six months old
- 2) The loan is current

Month you wish to skip: _____

Print Name: _____

Not applicable to mortgages, home equity loans or VISA accounts. Not eligible if member history has resulted in a loss for the credit union. Only one skip-a-pay allowed per 12 month period. There is a \$10.00 service fee to skip each loan and this fee will be added to the loan balance. Finance charges will continue to accrue on a daily basis at the interest rate set forth in your loan agreement, both during and after the payment deferral period. The authorization of Skip-a-Pay will extend the maturity date of the loan. You will be required to resume your payments the following month. Your next regular monthly payment will include the finance charges for the skipped month and any charges for life/disability insurance if applicable. Automatic payments will continue to post and will then be reversed during your skip-a-pay period. If there are insufficient funds in your deposit account, this offer is void and your loan payment will be due on the original due date. Program may be discontinued at any time without notice.
